PROFESSIONAL PROFILE

I am Hasini Nimasha Gamage, a BSc (Hons) Information Systems student at Rajarata University. Passionate about technology, data analytics, and IT management, I seek to apply my skills in real-world projects. Motivated, adaptable, and a strong team player, I aim to contribute to an organization's growth, profitability, and long-term success.

PROJECTS

Food Website (HTML, CSS, JavaScript)
Developed a dynamic food website, marking a significant milestone in my frontend development journey. Enhanced my skills in web design, user interface creation, and interactive functionality.

React App (React JS, CSS)
Building a React-based web application to showcase in my portfolio. Focused on Improving my understanding of React, component structure, and state management.

E-commerce Cake Shop Website (Angular, MySQL, Bootstrap)
Created a fully functional e-commerce website for a cake shop, leveraging Angular for frontend development, MySQL for database management, and Bootstrap for responsive design.
